

CORINOX file

Description

CORINOX files have an exceptional surface hardness grade of 1,200 HV (Vickers scale) and can be used for precise filing on very small and delicate components.

Extra information

Item number	PF19609202	
Model	COR 845 200 H0	
EAN	4007220304198	
CBS Statistics number	82031000	
Article group	PFERD	
Brand	PFERD	
Features	Shape	Round
	Length	200 mm
	Diameter	8 mm
	Length [inch]	8
	Swiss cap	0
Article group code	1335912
