

Tool cart

Description

This tool cart has an ergonomic design and is very practical to use thanks to its ideal size. These carts are commonly used at garages and workshops for storing equipment and tools. They are welded, strong steel sheet constructions, equipped with a 2-key central locking system and are powder coated.

Only one drawer can be opened at a time, which ensures that the cart does not tilt, because the weight does not move outside of the wheels.

Moreover, each tray has a release button, so that it is additionally secured. The cart comes complete with dividers for easy organization and storage of tools. Easy to move around the workshop due to the 2 fixed wheels, 1 mobile wheel and 1 mobile wheel with brake.

Properties:

7 drawers (1x 75 mm, 4x 100 mm, 2x 125 mm)

2 fixed wheels

1 mobile wheels

1 wheel with brake
