

Workshop mat

Description

If you're looking for a smartly designed floor mat, then the Complete Comfort mat is just what you need. Ideal for commercial use, this indoor door mat without holes is made of 100 per cent closed cell nitrile rubber and rubber cushioning. This anti fatigue mat offers optimum comfort and durability and is anti-static and slip-resistant, making it ideal for use around electronic devices. The mat is resistant to grease, oil, chemicals and welding.

With beveled edges for easier floor-to-mat transition. The textured surface offers superior slip and skid resistance. The anti-microbial treatment reduces odors by inhibiting the growth of germs and bacteria.
