

COMBIDISC non-woven disc

Description

Suitable for universal work on small and medium-sized metal surfaces, e.g. removing rough grinding traces, removing oxidation and light deburring work. Achieve matt and satin-finished surfaces.

Extra information

Item number	PF42781502	
Model	CDR VRH 50 A 180 M	
EAN	4007220596944	
CBS Statistics number	68053000	
Article group	PFERD	
Brand	PFERD	
Features	Outer- \emptyset	50 mm
	Grit size	180 M
	Opt. RPM of	5500 rpm
	Abrasive	A
	geometry d x gritt	50 x 180 M
Article group code	1318885
