

Air grinder, 58k rpm

Description

Complete pneumatic air micro die grinder for professional use!

This handy pneumatic air micro die grinder has an ergonomic design, it is well balanced and has a low vibration level. This gives the user excellent control. Ideal for grinding and sharpening in difficult to reach places.

Thanks to the chuck with 3mm socket is the grinder suitable for most accessories on the market. The professional sharpener has a variable speed and is suitable for cutting, grinding, polishing, finishing and deburring. The set comes complete with air hose, lubricator, oil bottle, brass coupling, two spanners and a comprehensive set of grinding and polishing markers. Completely clearly stowed in a strong plastic case. This versatile pneumatic pencil sharpener is a must-have tool for detailed work on small metal parts or hobby projects.

Properties:

- Variable speed
- Silenced air outlet
- Easy on / off
- Compact holder
- ø16x120mm
