

Scraper mat

Description

Superior rubber indoor-outdoor logo floor mat.

A deep tread surface offers excellent scraping performance that removes dirt and water while standing up to UV rays and harsh conditions, including areas prone to petroleum and grease.

High-traction cleats reduces the chance of slipping and provides anti-fatigue properties. Constructed of extra heavy rubber, the superscrape stays in place.

Properties:

100% Nitrile Rubber

Static Dissipative

Oil and Grease Proof

Certified Slip Resistant by The National Floor Safety Institute
