

Vertical toggle clamp

Description

This toggle clamp is suitable for a wide range of applications for clamping and releasing workpieces. It is used in metalworking for drilling, welding, grinding, testing, etc., as well as in woodworking and plastic processing for gluing, drilling, cutting, and milling operations. The clamp is made from high-quality components, is durable, and designed for continuous use. It features an oil-resistant, ergonomic plastic handle for optimal ease of use.

Material:

- Clamping plate: Stainless steel
- Rivet: Stainless steel
- Handle: Plastic
- Clamping screw: Steel, tempered, electro-galvanized; stainless steel

Extra information

Item number	20112512	
Model	GH-12502-B	
EAN	8718242563543	
Article group	TCE Tooling	
Brand	Huvema	
Features	Tensioning power	250 kg
	Clamp fastening	90 - 150 °
	Handle	70 - 100 °
	Weight	0,44 kg
	Relax height	175 mm
Article group code	1977055
