# Horizontal toggle clamp

## Description

---

### Compact Horizontal Toggle Clamp for Clamping and Releasing Workpieces

Suitable for use in various applications such as welding, drilling, reaming, gluing, etc. This quick-release clamp ensures fast and secure clamping of the workpiece, preventing movement due to processing forces. This horizontal hand clamp is the best model of quick-release clamps for standard workpiece clamping.

- Easy to use
- Robust construction
- Variable clamping height for clamping different workpieces
- Suitable for small spaces
- Steplessly adjustable clamping force
- Oil-resistant, ergonomic handle
- High corrosion resistance
