

Manual table lifter

Description

Hydraulic foot-operated lift table for work positioning with foot lock from the MTL series. For use at conveyors or production lines, as an adjustable workbench or positioning table. Ideal for use at press brakes and presses, handling moulds, at conveyors, loading and unloading trucks and maintenance work.

The work positioning post lift table is constructed from a sturdy steel platform and base with durable enamel finish and central lifting point, providing safe and stable lifting. The foot lock keeps the table in position on the floor.

Features

- Foot-pedal-operated durable hydraulic jack
- Reliable foot lock for stability
- 2 swivel and 2 fixed-wheel castors made of polyurethane
- Stable steel platform and base
- Durable enamel coating, resistant to heat, stains and dirt, wear and intensive use
- Central lifting point
- Safe and stable

Extra information

Item number	41009	
Model	MTL 225	
EAN	8718242563697	
Article group	HUVEMA Workshop Equipment	
Brand	Huvema	
Features	Table size	460 x 460 mm
	Max. bearing strength	225 kg
	Max lifting height	1220 mm
	Min. lifting height	760 mm
	Diameter wheels	100 mm
	Weight	120 kg
Article group code	2011907
