

Base univeral

Description

The OS UNI-3 is a work table that is very suitable for use as a base unit. Ideal for e.g. table drilling machines, milling machines or small saws. In addition, it can also be used as a universal work table, compact but very solid due to its heavy finish.

The work table is made of 1.2 mm thick powder coated steel, very solid and suitable for heavy loads. Finished with feet against scratches on the work floor and a possible height adjustment of 10 cm.

Features:

Finished with powder-coated finish

MDF worktop

European quality

Extra information

Item number	16928	
Model	OS UNI	
EAN	8718242571784	
CBS Statistics number	94032080	
Article group	HUVEMA Machines Retail	
Brand	Huvema	
Features	Depth	70 cm
	Width	70 cm
	Minimum height	85 cm
	Maximum height	95 cm
