

Hydro 46 oil – 5L

Description

This gear oil from Huvema is an anti-wear oil of extremely good quality. The universal high-quality oil is specially developed to keep your hydraulic systems operating as efficiently as possible, thus minimising maintenance costs and increasing productivity.

Features and benefits

- Very good protection against wear, corrosion and rust formation
- Excellent stability against oxidation
- High anti-foaming and air release properties
- High and stable viscosity index
- Neutral to plastic seals
- Strong filtration properties
- Very low pour point
- Multi-purpose
- Longer service life of the hydraulic system

Application

- In moderately to heavily loaded and diverse hydraulic systems
- In light gearboxes, bearings
- In systems operating under high pressure and with a wide temperature range.
- For general lubrication of hydraulic machines and tools

Extra information

Item number	21121003	
Model	HU 46 ISO (5L)	
EAN	8718242585170	
Article group	TCE Machines, Lubricants & Accessories	
Brand	Huvema	
Features	Content	5 liter
	Complies with ISO	ISO L-HM (ISO 11158:1997)
	DIN	DIN 51524-2:2006-09
Article group code	2399023
