

Sheet metal shears

Description

This hand-operated sheet metal shears is a professional machine of superior quality. Ideal for precise sheet metal cutting and easy to use. Supplied complete with back gauge, foot pedal and front gauge.

Features:

- Manual sheet metal shears
- For cutting mild steel, aluminium, copper, brass, zinc and plastics
- Solid steel construction for maximum rigidity and minimum deformation
- Length-adjustable foot pedal control
- High cutting capacity
- Can cut up to a thickness of 2 mm.
- Blade made of high-quality carbon and chromium steel
- Low working effort
- Front blade support for large sheets
- Back gauge 0-700 mm with fine adjustment
- Rectangular stop with mm scale on both sides
- Manually adjustable back gauge
- Includes finger guard for safety when shearing

Extra information

Item number	16743	
Model	BL 1000x2 HM	
EAN	8718242582650	
CBS Statistics number	82130000	
Article group	HUVEMA Machinery Industry	
Brand	Huvema	
Features	Cutting capacity	2 mm
	Cutting length	1000 mm
	Weight	355 kg
	Backgauge length	0 - 800 mm
	Packaging dimensions	1400 x 760 x 1150 mm
Article group code	2286751
